At **CareerWon**, we believe that passion is the key to a **successful and happy career**.

Our affordable **PathFinder** process combines 4 counseling/brainstorming sessions with career assessments to uncover fulfilling career options and college majors.

The Facts

- Parents hope that their child will “figure out” their career while in college, but most students choose their major without sufficient research, planning or self examination

- On the day they graduate, 65% of college graduates have not determined a career path
- Students will often stay with a college major they dislike to “just get the degree”
- Just one semester of studies that are not a good fit can cost thousands of dollars
- Students spend countless hours preparing for SATs but little time evaluating career options
- 84% of people are unhappy with their jobs

“Go confidently in the direction of your dreams. Live the life you’ve imagined.”
